OYAA will review the Master Game Field Schedule to find the best possible option. A Reply message will be sent back to that coach with confirmation of the new game time and location. If needed, the new game information will be shared with the referee coordinator.
2. **Weekend games** – If fields are closed for a half or a full day (i.e. Saturday) due to poor field conditions, the coaches involved in the game should communicate and decide on 2-3 alternate days to play the game. One coach (representing both teams) should send the information (AND copy the opponent's coach\_ to OYAA Field Coordinator ([OYAASOCCKERFIELDS@GMAIL.COM](mailto:OYAASOCCKERFIELDS@GMAIL.COM))). 3. **U5 and U6 Age Groups** – because U5 and U6 games do not use referees, anytime a game is cancelled the coaches involved in the game should communicate and agree on 2-3 alternate days to play the game. One coach (representing both teams) should send the information (AND copy the opponent's coach) to OYAA Field Coordinator ([OYAASOCCEFIELDS@GMAIL.COM](mailto:OYAASOCCEFIELDS@GMAIL.COM)). OYAA will review the Master Game Field Schedule to find the best possible option. A Reply message will be sent back to that coach with confirmation of the new game time and location.
  
4. **U7, U8, U9/10, U11/12** –
  - **Schedule Conflict (i.e. School program night)** - because the U7, U8, U9/10 and U11/12 age groups have referees assigned to each game, OYAA must be notified of ANY game that is cancelled BEFORE the date of play. Please follow the instructions details above based on day of week the game is being played.
  
  - **Field Closure** – if the fields are closed due to poor field conditions, OYAA will ask coaches to follow the guidelines above in **1. Weeknight games/ 2. Weekend games**
