

OYAA BASEBALL
COACH PITCH RULES

RULES:

01. Coaches from each team need to meet prior to the game to discuss the rules and special circumstances that may be required during the game.
02. There will be 5 runs or 3 outs per inning, whichever comes first.
03. No new inning should begin after 1 ½ hours. Six innings maximum.
04. Each batter gets 7 pitches max (another, if he fouls the seventh pitch, or the last pitch is bad). Coaches need to identify any player with special circumstances prior to the start of the game.
05. There should be 10 fielders at one time, including a catcher.
06. Every player should sit out defensively for no more than one inning in a row.
07. There is no stealing.
08. Each batter/runner will get only one base on any overthrow which goes into foul territory.
09. A player cannot advance once the ball is in the infield. All base runners must remain on base, or go back to the last base they were on, once the ball is in the infield.
10. Base coaches call the outs.
11. The defensive team can have 2 coaches in the field, one in left and one in right.
12. Infielders should play behind the baseline most of the time.
13. On the smaller diamonds, the outfielders should play in the grass.
14. The 2nd team listed on the schedule is the home team.
15. No big barrel bats.
16. Other than the above exceptions, the standard rules of baseball apply.
